Terms and Conditions

As a signatory of the Code, you are committing to ensure that diamonds represented as Canadian can be authenticated to protect them against deceptive practices that may erode consumer confidence and at the same time ensure compliance with the *Competition Act*.

A Code signatory found in non-compliance with this Code will be removed as a Code signatory from the Code Registry. In Canada, failure to authenticate diamonds represented as Canadian may lead to an investigation by the Competition Bureau and subsequent enforcement action pursued under the false or misleading representations provisions of the Canadian Competition Act.
